(b) A petition for an election to determine if an organization should cease to be the exclusive representative because it does not represent a majority of employees of a foreign affairs agency may be filed by a foreign affairs agency or by any employee(s) or any individual acting on their behalf.

§ 802.2 Contents of petition, filing and service of petition; challenges to petition.

(a) *Petition for exclusive recognition.* A petition by an organization for exclusive recognition shall contain the following:

of the order and the regulations under this chapter.

Such a statement must contain a detailed explanation of the reasons supporting the good faith doubt;

(2) A petition by employees or an individual acting on behalf of employees shall contain the information set forth in paragraph (a) of this section, except paragraph (a) (5), (8), and (9) of this section, and it shall be accompanied by a showing of interest of not less than twenty-five (25) percent of the employees indicating that the employees of the foreign affairs agency no longer desire to be represented for the purpose of exclusive recognition by the currently certified organization and an alphabetical list of names constituting such showing.

(c) *Filing and service of petition and copies.* (1) An original and four copies of a petition shall be filed with the Commission.

(2) The petitioner shall supply with its petition two (2) copies of a statement of any other relevant facts and of all correspondence relating to the question concerning representation.

(3) Simultaneously with the filing of a petition, copies of the petition together with the attachments referred to in subparagraph (2) of this paragraph shall be served by the petitioner on all known interested parties, and a written statement of such services shall be filed with the Commission. The showing of interest submitted with the petition shall not be furnished to the foreign affairs agency or to any of the organizations listed in the petition.

(d) *Adequacy and validity of showing of interest.* The Commission shall determine the adequacy of the showing of interest administratively, and such decision shall be final and not subject to collateral attack at a representation hearing. Any party challenging the validity of showing of interest of the petitioner or of an intervenor must file its challenge with the Commission, with respect to the petitioner, within fifteen (15) days after the initial date of posting and dispatch of the notice of petition as provided in § 802.5(b) and with respect to any intervenor, within fifteen (15) days of service of a copy of the request for intervention, and support the challenge with evidence including signed statements of employees and any other written evidence. The Commission shall investigate the challenge and take such action as it deems appropriate.

(e) *Challenge to status of an organization.* Any party challenging the status of an organization under the order must file its challenge with the Commission and support the challenge with evidence.

With respect to the petitioner, such a challenge must be filed within fifteen (15) days after the initial date of posting and dispatch of the notice of petition as provided in § 802.5(b) and with respect to an intervenor within fifteen (15) days of service of a copy of the request for intervention. The Commission shall investigate the challenge and take such action as it deems appropriate.

§ 802.3 Timeliness of petition.

(a) When there is no certified exclusive representative of the employees, a petition will be considered timely filed provided the petition is not for a foreign affairs agency in which a valid election has been held within the preceding twelve (12) month period.

(b) A petition for exclusive recognition or other election petition will not be considered timely if filed within two (2) years after a valid certification has come into effect unless unusual circumstances exist which will substantially affect the voting unit or the majority representation.

(c) A petitioner who withdraws a petition after the issuance of a notice of hearing and before the close of the hearing, or after the approval of an agreement for a consent election, shall be barred from filing another petition for six (6) months, unless a withdrawal request has been received by the Commission not later than three (3) days before the date of the hearing.

§ 802.4 Effect of certification.

When a secret ballot election has resulted in the certification of an exclusive representative for the eligible employees in a foreign affairs agency, such certification shall remain valid for a period of not less than 2 years, unless such certification is earlier revoked for proper cause by the Commission. After the expiration of 2 years following the effective date of a certification, such certification shall remain in effect until (a) successfully challenged by a timely petition and election, or (b) revoked for proper cause by the Commission.

§ 802.5 Investigation and notice of petition.

(a) Upon the filing of a petition the Commission shall make such investigation as it deems necessary.

(b) Upon the request of the Commission, after the filing of a petition, the foreign affairs agency shall post at its headquarters copies of a notice to all employees in places where notices are normally posted affecting the employees of the agency. In addition, the foreign affairs agency shall, simultaneously with the date of posting, dispatch telegraphic notice of the petition to Foreign Service posts abroad for the information of the agency's employees at such posts.

(c) Such notice shall set forth: (1) The name of the petitioner and (2) a statement that all interested parties are to advise the Commission in writing of their interest within fifteen (15) days from the date of initial posting and dispatch of such notice.

(e) The foreign affairs agency shall furnish the Commission and all known interested parties with the following: (1) Name, address, and telephone number of any organization known to represent the employees; (2) a copy of all relevant correspondence; (3) a copy of a current certification, if any, covering the employees of the foreign affairs agency; (4) a current alphabetized list of employees, their rank and positions of assignment; and (5) a separate, current alphabetized list of management officials and confidential employees, their rank and positions of assignment.

(f) Within twenty (20) days following the receipt of a copy of the petition, unless an extension of time has been granted by the Commission, the foreign affairs agency shall file a response thereto with the Commission raising any matter which is relevant to the petition. A copy of such response shall be served simultaneously on the parties and a statement of such service shall be filed with the Commission.

(g) The Commission shall take appropriate measures which, among other things, may consist of one of the following: (1) The approval of a withdrawal request; (2) the dismissal of the petition; (3) direction of an election; or (4) the issuance of a notice of hearing.

(a) Subject to the provisions of paragraph (b) of this section and § 302.7(b), an organization will be permitted to intervene as a matter of right in any proceeding pursuant to this part if it has submitted a showing of interest of five (5) percent or more of the employees of the foreign affairs agency together with an alphabetical list of names constituting such showing. Intervention by any other party which does not submit such a showing of interest shall be at the discretion of the Commission.

(b) No organization may participate in any representation proceeding unless it has notified the Commission in writing, accompanied by its showing of interest as specified in paragraph (a) of this section of its desire to intervene within fifteen (15) days after the initial posting and despatch of the notice of petition as provided in § 302.5 (b) unless good cause is shown for extending the period. Simultaneously with the filing of a request for intervention, copies of such request, excluding the showing of interest, shall be served on all known interested parties, and a written statement of such service shall be filed with the Commission.

(c) Any organization intervening must supply a statement to the Commission that it is in full compliance with the order and these regulations and that it has submitted to the foreign affairs agency a current roster of its officers and representatives, a copy of its constitution and bylaws and a statement of its objectives.

§ 302.7 Withdrawal, dismissal, or deferral of petitions; consolidation of cases; denial of intervention.

(a) If the Commission determines after an investigation that the petition has not been filed timely, the petitioner has not made a sufficient showing of interest, the petition is not otherwise actionable, or an intervention is not appropriate, it may request the petitioner or intervenor to withdraw the petition or the intervention or, in the absence of such withdrawal within a reasonable period of time, it may dismiss the petition or deny the request for intervention.

(b) If the Commission determines, after investigation, that a valid issue has been raised by a challenge under § 302.2 (d) or (e), it may take such action as it deems appropriate including a request to the petitioner to withdraw the petition, dismissal of the petition, denial of the request for intervention, deferral of action upon the petition or request for intervention until such time as those issues have been resolved pursuant to this part, or consolidation of such issues with the representation matter for resolution of all issues.

(c) If the Commission dismisses the petition or denies the request for intervention, it shall furnish the petitioner or the party requesting intervention with a written statement of the grounds for the dismissal or the denial, sending a copy of such statement to the foreign affairs agency, and to any other parties as appropriate.

§ 302.8 Agreement for consent election.

(a) Subsequent to the filing of a petition and after expiration of the fifteen (15) day posting period of the notice of petition as provided in § 302.5(d), the foreign affairs agency, petitioner and any intervenors who have complied with the requirements set forth in § 302.6, and paragraph (d) of this section may agree that a secret ballot election shall be conducted and such agreement in a form approved by the Commission, shall be filed with the Commission. Any qualified intervenor who refuses to sign an agreement for a consent election may express his objections to the agreement in writing to the Commission. The Commission, after careful consideration of the agreement and of such objections, if any, may approve the agreement or take such other action as it deems appropriate. If the Commission approves the agreement, the election shall be conducted by the foreign affairs agency, under the supervision of the Commission in accordance with § 302.13 to determine whether the employees desire to be represented for purposes of exclusive recognition by any or none of the organizations involved.

(b) The parties shall agree on the eligibility period for employee participation in the election, the dates of the election, the designations on the ballot and other related election procedures.

(c) In the event that the parties cannot agree on the matters contained in paragraph (b) of this section, the Commission shall decide these matters.

(d) All parties desiring to participate in an election being conducted pursuant to this section, or § 302.17, including intervening organizations which have met the requirements of § 302.6, must sign an agreement providing for such an election in a form prescribed by the Commission.

§ 302.9 Notice of hearing.

The Commission may issue a notice of hearing to resolve any questions relating to the representation matter. A notice of hearing providing for at least ten (10) days notice, except in unusual circumstances, shall be served on all interested parties and shall include:

(a) A statement of the time, place, and nature of the hearing;

(b) The name of the foreign affairs agency, petitioner and intervenors, if any;

(c) A statement of the authority and jurisdiction under which the hearing is to be held.

§ 302.10 Conduct of hearing.

(a) The Commission, in its sole discretion and on its own motion, may sit en banc and conduct the hearing. Where the Commission hears the case sitting en banc, it will issue a decision on the record in the case after the close of the hearing. The Commission in such cases will have all the powers of a Hearing Officer and will advise the parties (notwithstanding § 302.15) whether briefs will be permitted. If the Commission does not elect to sit en banc, it shall designate a Hearing Officer.

(b) Hearings shall be open to the public unless otherwise ordered by the Hearing Officer for good cause, stated in writing, and made a part of the record. When requested to do so by the head of the foreign affairs agency, the Commission shall direct that the hearing be conducted as a closed hearing, in whole or in part, in order to prevent the disclosure of information that would be injurious to the national security or foreign policy. At any time another Hearing Officer may be substituted for the Hearing Officer previously presiding. It shall be the duty of the Hearing Officer to inquire fully into all matters in issue and the Hearing Officer shall obtain a full and complete record upon which the Commission can make an appropriate decision.

(c) An official reporter shall make the only official transcript of such proceedings. Copies of the official transcript will not be provided to the parties but may be purchased by arrangement with the official reporter or arrangements may be made with the Commission to examine the transcript during normal working hours.

(d) Hearings under this section are considered investigatory and not adversary. Their purpose is to develop a full and complete factual record. The rules of relevancy and materiality are paramount; there are no burdens of proof and the technical rules of evidence do not apply.

An original and two copies of written motions shall be filed and a copy thereof simultaneously shall be served on the other parties to the proceedings. Motions made prior to the hearing shall be filed with the Commission, and motions made during the hearing shall be filed with the Hearing Officer. After the transfer of the case to the Commission, except as otherwise provided, all motions shall be filed with the Commission. Other parties may file responses to such motions within five (5) days of service. The Commission may rule upon all motions filed with it causing a copy of said ruling to be served on the parties, or it may refer the motion to the Hearing Officer. The Hearing Officer shall rule, either orally on the record or in writing, upon all motions filed at the hearing or referred to him as hereinabove provided, except that all motions to dismiss petitions shall be referred for appropriate action at such time as the record is considered by the Commission.

(b) Motions to intervene will not be entertained by the Hearing Officer.

(c) All motions, rulings and orders shall become a part of the record. Rulings by the Hearing Officer shall be considered by the Commission when the case is transferred to it for decision.

Two (2) copies of documentary evidence shall be submitted and a copy furnished simultaneously to the other parties. Stipulations of fact may be introduced in evidence with respect to any issue.

(b) Any party shall be entitled, upon request, to a reasonable period at the close of the hearing for oral argument, which shall be included in the stenographic report of the hearing.

§ 802.13 Duties and powers of the Hearing Officer.

It shall be the duty of the Hearing Officer to inquire fully into the facts as they relate to the matters presented. With respect to cases assigned to the Hearing Officer between the time he or she is designated and the transfer of the case to the Commission, the Hearing Officer shall have the authority to:

- (a) Grant requests for appearance of witnesses or production of records;
- (b) Rule upon offers of proof and receive relevant evidence;
- (c) Take or cause depositions to be taken whenever the ends of justice would be served thereby;

(d) Limit lines of questioning or testimony which are immaterial, irrelevant, customarily privileged, or unduly repetitious;

(e) Regulate the course of the hearing and, if appropriate, exclude from the hearing persons who engage in misconduct;

(f) Strike all related testimony of witnesses refusing to answer any questions ruled to be proper;

(g) Hold conferences for the settlement or simplification of the issues by consent of the parties or upon his or her own motion;

(h) Dispose of procedural requests, motions, or similar matters which shall be made part of the record of the proceeding, including motions referred to the Hearing Officer by the Commission and motions to amend petitions;

(i) Examine and cross-examine witnesses and to introduce into the record documentary or other evidence;

(j) Request the parties at any time during the hearing to state their respective positions concerning any issue in the case or theory in support thereof;

(k) Continue the hearing from day-to-day, or adjourn it to a later date or to a different place, by announcement thereof at the hearing or by other appropriate notice;

(l) Correct or approve proposed corrections of the official transcript, when deemed necessary;

(m) Take any other action necessary under the foregoing and not prohibited by these regulations.

§ 802.14 Objections to conduct of hearing.

Any objection to the introduction of evidence may be stated orally or in writing and shall be accompanied by a short statement of the grounds of such objection, and included in the record. No such objection shall be deemed waived by further participation in the hearing. Automatic exception will be allowed to all adverse rulings.

§ 802.15 Filing of briefs.

(a) Any party desiring to file a brief with the Commission shall file the original and two (2) copies within fourteen (14) days after the close of the hearing. *Provided, however,* That prior to the close of the hearing and for good cause, the Hearing Officer may allow time not to exceed fourteen (14) additional days for the filing of briefs with the Commission. Copies thereof shall be served simultaneously on all other parties to the proceeding. No reply brief may be filed except by special permission of the Commission.

(b) Requests for additional time in which to file a brief under authority of this section not addressed to the Hearing Officer during the hearing shall be made to the Commission in writing, and copies thereof shall be served simultaneously on the other parties, and a statement of such service shall be filed with the Commission. Requests for extension of time under this subsection shall be in writing and received not later than three (3) days before the date such briefs are due.

§ 802.16 Transfer of case to the Commission; contents of record.

Upon the close of the hearing the case is transferred automatically to the Commission. The record of the proceeding shall include the petition, notice of hearing, service sheet, motions, rulings, orders, official transcript of the hearing with any corrections thereto, stipulations, objections, depositions, exhibits, documentary evidence, and any briefs or other documents submitted by the parties.

§ 802.17 Decision.

The Commission will issue a decision directing an election or dismissing the petition, or making other disposition of the matters before it.

§ 802.18 Election procedure.

This section governs all elections conducted under the supervision of the Commission, pursuant to § 802.3 or § 802.17.

(a) Appropriate notices of election shall be posted by the foreign affairs agency. Such notices shall set forth the details and procedures for the election, the eligibility period, the date(s) of the election, and shall contain a sample ballot.

(b) The reproduction of any document purporting to be a copy of the official ballot, other than one completely unaltered in form and content and clearly marked "sample" on its face, which suggests either directly or indirectly to employees that the Commission endorses a particular choice, may constitute grounds for setting aside an election upon objections properly filed.

(c) All elections shall be by secret ballot. An exclusive representative shall be chosen by a majority of the valid ballots cast.

(d) Whenever two or more organizations are included as choices in an election, any intervening organization may request, in writing, the Commission to remove its name from the ballot. The request must be received not later than ten (10) days after the decision and direction of the election or the Commission's notification of approval of agreement for an election. Such request shall be subject to the approval of the Commission, whose decision shall be final. *Provided, however,* That in a proceeding involving a petition filed under § 802.2 (b) an organization currently certified may not have its name removed from the ballot without giving the aforementioned notice in writing to all parties and the Commission, disclaiming any representation interest among the employees.

§ 802.19 Challenged ballots.

A representative of any organization on the ballot, of the foreign affairs agency, or of the Commission may challenge, for good cause, the eligibility of any person to vote in the election. The ballots of such challenged persons shall be impounded.

§ 802.20 Tally of ballots.

Upon the conclusion of the election, the Commission shall furnish to the parties a tally of ballots.

PROPOSED RULE MAKING

Approved For Release 2001/11/01 : CIA-RDP75-00793R000300170015-3

§ 802.21 Certifications; objections to election; determination on objections and challenged ballots.

(a) The Commission shall issue to the parties a certification of the results of the election, or a certification of representative, where appropriate: *Provided*, That if objections are filed within the time limit set forth below; the challenged ballots are insufficient in number to affect the results of the election; and no runoff or rerun election is to be held.

(b) Within five (5) days after the tally of ballots has been furnished, or proffered when service has been refused, any party may file with the Commission an original and four (4) copies of objections to the procedural conduct of the election, or to conduct which may have improperly affected the results of the election, supported by a clear and concise statement of the reason therefor. Such filing must be timely whether or not the challenged ballots are sufficient in number to affect the results of the election. Within ten (10) days of the filing of the objections, unless an extension of time has been granted by the Commission, the objecting party shall furnish the Commission with evidence, which may include but shall not be limited to signed statements, documentary evidence, and other materials supporting the objections. The objecting party shall bear the burden of proof at all stages of the proceedings, regarding all matters alleged in its objections. Simultaneously with the filing of such objections, together with the evidence in support thereof, copies of such objections and of the supporting evidence shall be served on the other parties by the party filing them, and a statement of such service shall be filed with the Commission.

(c) If objections are filed, or if the challenged ballots are sufficient in number to affect the results of the election, the Commission shall cause to be investigated the objections or challenges, or both.

(d) When the Commission determines that no relevant issue of fact exists, it shall find whether improper conduct occurred of such a nature as to warrant the setting aside of the election and, if so, shall set aside the election, or (2) shall rule on determinative challenges to ballots, if any, or both. The Commission shall serve simultaneously any such findings upon all parties to the proceeding and shall state therein any additional pertinent matters such as its decision to rerun the election or count ballots at a specified date, time, and place, and to issue a revised tally of ballots.

Where it appears to the Commission that the objections or challenged ballots raise any relevant question of fact which may have affected the results of the election, the Commission shall issue a notice of hearing specifying the issues and that it will conduct the hearing in accordance with § 803.10(a) of this chapter, or that a Hearing Examiner, designated by the Chief Hearing Examiner, will take evidence, make factual findings, and recommendations with respect to the objections and/or challenged

ballots, and report these findings and recommendations to the Commission and the parties. Such proceedings shall be conducted in accordance with §§ 803.10 through 803.24 of this chapter.

(f) The Commission shall decide whether to adopt or modify the Hearing Examiner's recommendations. In accordance with the Commission's final determination, it shall issue a certification of the results of the election, certification of representative, or a decision setting aside the election or directing the opening and counting of challenged ballots, whichever is appropriate.

§ 802.22 Runoff elections.

(a) The foreign affairs agency shall conduct a runoff election under supervision of the Commission when an election in which the ballot provided for not less than three (3) choices (i.e., at least two representatives and "neither" or "none") results in no choice receiving a majority of the valid ballots cast, and any objections which had been filed have been disposed of, and any challenged ballots have been disposed of or are not sufficient in number to affect the results of the election, as provided herein. Only one runoff election shall be held pursuant to this section.

(b) Employees who were eligible to vote in the original election and who also are in an eligible category on the date of the runoff election shall be eligible to vote in the runoff election.

(c) The ballot in the runoff election shall provide for a selection between the two choices receiving the largest and second largest number of votes.

§ 802.23 Inconclusive elections.

(a) An inconclusive election is one in which none of the choices on the ballot has received a majority of the valid ballots cast and § 803.22 of this chapter is not applicable. If there are no challenged ballots that would affect the results of the election, the Commission may declare the election a nullity and may order another election, providing for a selection from among the choices afforded in the previous ballot in the following situations:

(1) The ballot provided for a choice among two or more representatives and "neither" or "none," and the votes are equally divided among the several choices;

(2) The number of ballots cast for one choice in an election is equal to the number cast for another choice but less than the number cast for the third choice; or

(3) The runoff ballot provides for a choice between two representatives and the votes are equally divided.

(b) Only one further election pursuant to this section may be held.

charging party, whichever is the shorter period of time.

(b) The thirty (30) day charge period as required under paragraph (a) of this section shall not be applicable to allegations of violations of section 13(b)(4) of the order. In such a situation, a complaint may be filed immediately with the Commission.

(c) In complaints alleging violations of section 13(b)(4), the Commission shall conduct a priority investigation.

§ 803.3 Contents of the complaint and supporting documents.

the complaint. The response shall be filed with the Commission and copies thereof shall be served simultaneously on the other parties. Upon the filing of a complaint the Commission shall cause such additional investigation to be made as it deems necessary.

(b) The parties may submit to the Commission a stipulation of facts and their request for a decision by the Commission without a hearing.

(c) The complainant shall bear the burden of proof at all stages of the proceedings regarding matters alleged in its complaint.

§ 803.6 Preliminary action by the Commission.

(a) The Commission shall take appropriate measures which may consist of the approval of a withdrawal request or dismissal of the complaint, approval of a satisfactory offer of settlement made any time prior to the close of a hearing, if any, approval of a stipulation of facts pursuant to § 803.5(b), or the issuance of a notice of hearing.

(b) In cases involving complaints alleging a violation of section 13(b)(4) of the order, if the Commission determines, based upon the evidence adduced, that a reasonable basis for a complaint exists and no satisfactory offer of settlement has been made, it shall issue an expedited notice of hearing. (c) Cases involving complaints alleging violations of section 13(a)(2) of the order shall be given priority over all other unfair practice cases except cases of like character and cases under paragraph (b) of this section.

§ 803.7 Withdrawal or dismissal of complaint.

(a) If the Commission determines that the complaint has not been timely filed, that a reasonable basis for the complaint has not been established, that a satisfactory offer of settlement has been made, or for other appropriate reasons, it may request the complainant to withdraw the complaint and in the absence of such withdrawal within a reasonable time, it may dismiss the complaint.

(b) If the Commission dismisses the complaint, it shall furnish the complainant with a written statement of the grounds for dismissal, sending a copy of the statement to the respondent. If the dismissal is based on approval of an offer of settlement which is satisfactory to the Commission, such statement shall set forth the terms of settlement and the implementation thereof.

§ 803.8 Notice of hearing.

The Commission may cause a notice of hearing to be issued if, after the filing of a complaint, it finds, based on the allegations and the reports of investigation by the parties and any additional investigation, that there is a reasonable basis for the complaint and that no satisfactory offer of settlement has been made.

§ 803.9 Contents of the notice of hearing; attachments.

(a) The notice of hearing shall include:

Where the Commission hears the case sitting en banc, it will issue a decision on the record in the case after the close of the hearing. The Commission in such cases will have all the powers of a Hearing Examiner and will advise the parties (notwithstanding § 803.21) whether briefs will be permitted. Where the Commission has decided to hear the case en banc the rules concerning the filing of exceptions to Hearing Examiners' reports and recommendations do not apply to its decisions. If the Commission does not elect to sit en banc, it shall inform the Chief Hearing Examiner, who will designate a Hearing Examiner to conduct the hearing.

(b) Hearings shall be open to the public unless otherwise ordered by the Hearing Examiner for good cause, stated in writing and made a part of the record. When requested to do so by the head of the foreign affairs agency, the Commission shall direct that the hearing be conducted, in whole or in part, as a closed hearing, in order to prevent the disclosure of information that would be injurious to the national security or foreign policy.

(c) An official reporter shall make the only official transcript of such proceedings. Copies of the official transcript will not be provided to the parties but may be purchased by arrangement with the official reporter or arrangements may be made with the Commission to examine the transcript during normal working hours.

grounds upon which such person claims an interest. Prior to the hearing, such a motion shall be filed with the Commission; during the hearing such motion shall be made to the Hearing Examiner. An original and two copies of written motions shall be filed. Simultaneously upon filing such motion, the moving party shall serve a copy thereof on the other parties. The Commission shall rule upon all such motions filed prior to the hearing, and shall cause a copy of such rulings to be furnished to the other parties, or may refer the motion to the Hearing Examiner for ruling. The Hearing Examiner shall rule upon all such motions made at the hearing or referred to the Hearing Examiner by the Commission. When the Hearing Examiner rules, before the hearing, on a motion referred to the Hearing Examiner by the Commission, he shall furnish copies of such ruling to the parties. The Commission or Hearing Examiner, as the case may be, may permit intervention in person or by counsel or other representative to such extent and upon such terms as may be deemed proper.

§ 303.12 Rights of parties.

Any party shall have the right to appear at such hearing in person, by counsel, or by other representative, to examine and cross-examine witnesses, and to introduce into the record documentary or other relevant evidence, except that the participation of any party shall be limited to the extent prescribed by the Hearing Examiner. Two copies of documentary evidence shall be submitted and a copy furnished to each of the other parties. Stipulations of fact may be introduced in evidence with respect to any issue.

§ 303.13 Rules of evidence.

The technical rules of evidence do not apply. Any evidence may be received, except that a Hearing Examiner may exclude any evidence or offer of proof which is immaterial, irrelevant, unduly repetitious, or customarily privileged. Every party shall have a right to present its case by oral and documentary evidence and to submit rebuttal evidence.

§ 303.14 Burden of proof.

(h) Examine and cross-examine witnesses and to introduce into the record documentary or other evidence;

(i) Request the parties at any time during the hearing to state their respective positions concerning any issue in the case or theory in support thereof;

(l) Take official notice of any material fact not appearing in evidence in the record, which is among the traditional matters of judicial or official notice: *Provided*, That the parties shall be given adequate notice, at the hearing or by reference in the Hearing Examiner's decision of the matters so noticed, and shall be given adequate opportunity to show the contrary;

(m) Correct or approve proposed corrections of the official transcript when deemed necessary;

(n) Take any other action necessary under the foregoing and not prohibited by these regulations.

§ 303.16 Unavailability of Hearing Examiners.

In the event of the Hearing Examiner designated to conduct the hearing becomes unavailable, the Chief Hearing Examiner shall designate another Hearing Examiner for the purpose of further hearing or issuance of a report and recommendations on the record as made, or both.

§ 303.17 Objection to conduct of hearing.

(a) Any objection with respect to the conduct of the hearing, including any objection to the introduction of evidence, may be stated orally or in writing accompanied by a short statement of the

grounds for such objection, and included in the record. No such objection shall be deemed waived by further participation in the hearing. Such objection shall not stay the conduct of the hearing.

(b) Automatic exceptions will be allowed to all adverse rulings. Rulings by the Hearing Examiner shall not be appealed prior to the transfer of the case to the Commission, but shall be considered by the Commission only upon the filing of exceptions to the Hearing Examiner's report and recommendations in accordance with § 303.22.

§ 303.18 Motions before or after a hearing.

(a) All motions made before a hearing shall be made in writing to the Commission. All motions made after the hearing but prior to the transfer of the case to the Commission shall be filed with the Hearing Examiner. All motions made after the transfer of the case to the Commission, except motions to correct the record under § 303.15(m) shall be made in writing to the Commission. The moving party shall serve simultaneously a copy of all motion papers on all other parties. A statement of service shall accompany the motion. Answering affidavits, if any, must be served on all parties and the originals thereof, together with two (2) copies and a statement of service, shall be filed with the Commission before the hearing, with the Hearing Examiner after the hearing begins and before transfer of the case to the Commission and with the Commission after transfer of the case to it; within five (5) days after service of the moving papers unless it is otherwise directed.

(b) The Commission may rule upon all motions filed with it before the hearing, causing a copy of such ruling to be served on the parties, or it may refer such motions to the Chief Hearing Examiner or to the Hearing Examiner if one has been designated by the Chief Hearing Examiner. The Hearing Examiner may rule upon all motions referred to him or her prior to the hearing by the Commission or by the Chief Hearing Examiner and may rule upon all motions filed after the beginning of the hearing and before transfer of the case to the Commission. Such motions may be ruled upon by the Chief Hearing Examiner in the absence of the Hearing Examiner.

§ 303.19 Waiver of objections.

Any objection not made before a Hearing Examiner shall be deemed waived.

§ 303.20 Oral argument at the hearing.

Any party shall be entitled, upon request, to a reasonable period prior to the close of the hearing for oral argument, which shall be included in the official transcript of the hearing.

§ 303.21 Filing of brief.

Any party desiring to submit a brief to the Hearing Examiner shall file the original and two (2) copies within fourteen (14) days after the close of the hearing; *Provided, however*, That prior to the close of the hearing and for good cause, the Hearing Examiner may grant

Approved For Release 2001/11/01 : CIA-RDP75-00793R000300170015-3

Requests for additional time in which to file a brief under authority of this section not addressed to the Hearing Examiner during the hearing shall be made to the Chief Hearing Examiner, in writing at least three (3) days before the briefs are due and copies shall be served simultaneously on the other parties. A statement of such service shall be furnished. No reply brief may be filed except by special permission of the Hearing Examiner.

Thereafter, the Hearing Examiner shall transfer the case to the Commission, including the report and recommendations and the record. The record shall include the complaint, notice of hearing, service sheet, motions, rulings, orders, official transcript of the hearing, stipulations, objections, depositions, exhibits, documentary evidence, and any briefs or other documents submitted by the parties.

(c) An original and two (2) copies of any exceptions to the Hearing Examiner's report and recommendations may be filed by any party with the Commission within ten (10) days after service of the report and recommendations: *Provided, however*, That the Commission may for good cause shown extend the time for filing such exceptions. Requests for additional time in which to file exceptions shall be in writing; copies thereof shall be served simultaneously on the other parties and a statement of such service shall be furnished to the Commission.
